# General information from the TD

## 343.10.1 Process of passing during Interval Starts

- \* Competitors who are being passed must give way on first demand. This applies in classical technique courses even when there are two tracks and in free technique courses when the skier being overtaken may have to restrict his/her skiing movements.

# General information from the TD

## **343.10.2 Process of passing during other competitions**

- \* 343.10.2.1 Competitors in front have the right to choose their best line
- \* 343.10.2.2 Competitors in front shall not obstruct competitors coming from behind.
- \* 343.10.2.3 Competitors intending to pass shall do so without obstructing the competitor being passed.
- \* 343.10.2.4 When competitors are alongside, they have mutual duties not to obstruct each other's movements.
- \* 343.10.2.5 A process of passing is considered completed when the passing competitor has his/her body at the front of the ski-tips of the competitor being passed.
- \* 343.11 In sections with marked corridors, the competitors should choose a corridor. Competitors are allowed to leave the chosen corridor as long as ICR 343.9 and ICR 343.10 are upheld.

# General information from the Organiser
